

SUSTAINABILITY SERIES- ONLINE EVENT GUIDELINES

We would like to thank you for joining the Sustainability Series. Please find below some logistical guidelines for the online events:

 **GoToWebinar** You do not need your own Go To Webinar account to access any of the online sessions.

Links must not be forwarded to anyone else because of the limit on number of participants. (we are at max. capacity)

No passwords are required for any of the sessions.

Submit your questions anytime via the question box function during a live session.

We will try and answer as many questions within the Q&A section as possible.

The presentation slides, and the recording will be made available after each session.

Please note only presentations which have been authorized for distribution by speakers will be made available to download.

This on-demand hub provides instant access to a wealth of topics being covered within the Sustainability Series. The hub will provide access to:

- recordings of live events
- relevant CPDs from The Concrete Centre's on-demand webinar archive
- new webinars and bitesize videos.

Please complete the feedback survey that you will receive post event.
